-The Diaper Project. The Diaper Project is a Ministry of All Saints Anglican Church. We support families in West TN by distributing free diapers once a month. Those needing diapers will need to complete an online pre-registration form at least one week prior to distribution. Diapers will be distributed while supplies last and once supply is met, individuals will be placed on a waiting list for the month in case more diapers become available.

Go to the link below to complete the registration to apply for the Diaper Project
